

Research Reports

TRANSPARENCY AND FREE ACCESS

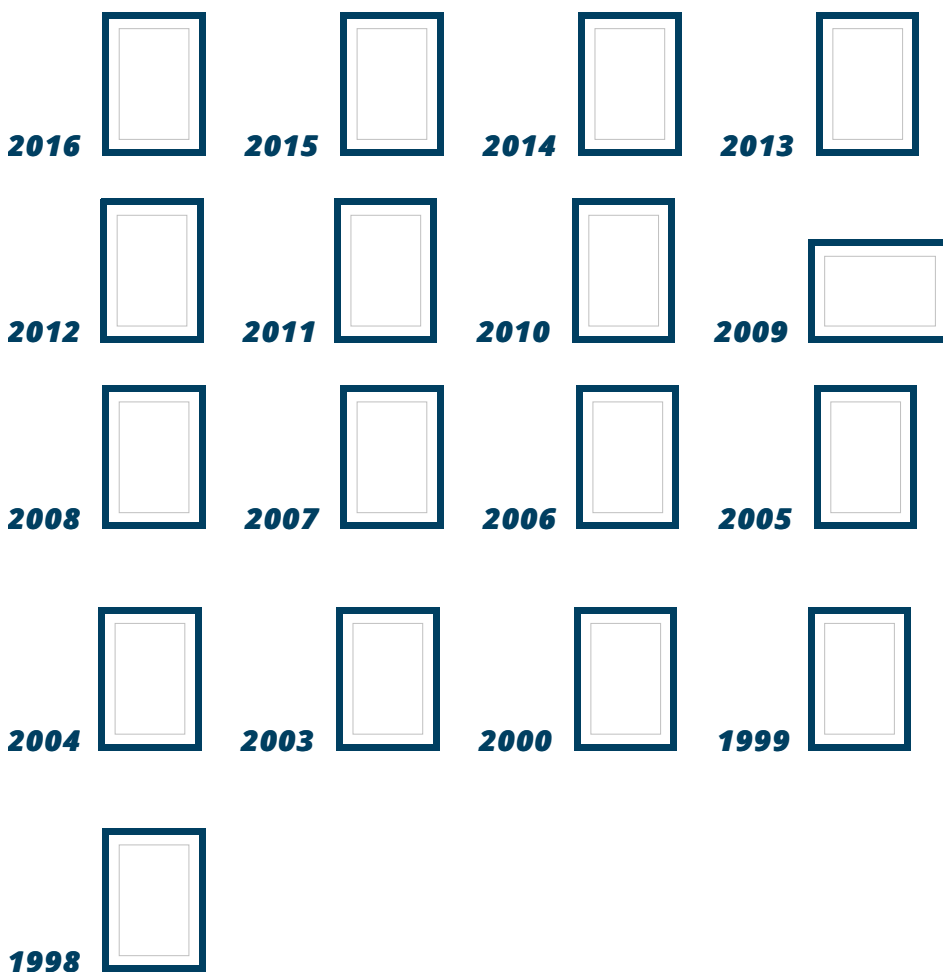

Among the regular publications of the IAF are Hochschule Offenburg's annual report and the research review *forschung im fokus "fif"*, which offers the University's research players the opportunity to present their projects from a range of different areas to the wider reading public interested in innovation.

Research review

Please use your campus login to download the current edition of the IAF's annual report. *fif* is freely accessible to all members of the University.
